A STREET THROUGH TIME

2012 Steve Noon Take a 12,000-year walk through history Think of the street you live on. Now think of how it may have looked in 10,000 BCE, or in Roman times, or in Victorian England at the height of the Industrial Revolution. Steve Noon's A Street Through Time takes you on a time travelling journey that you won't forget. Beautiful double-page illustrations bring fourteen key periods in history to life. You will see magnificent buildings go up and come down, new churches built on the site of ancient temples, wooden bridges destroyed and then remade in stone, and statues demolished then unearthed many years later. You'll find out how people lived long ago - the tools they used, what they wore, what they ate and what they did all day. In an added twist, you can search for the time traveller in each period and locate the objects that have managed to survive through the ages. Revised and updated for a new generation, Steve Noon's A Street Through Time is perfect for parents and children to look at together. The more you look, the more you'll see.

DINOSAURS AND PREHISTORIC LIFE

2019-10-08 DK From the origin of life, through the age of dinosaurs stalked by the terrifying Tyrannosaurus rex, to the earliest humans, this book tells the story of life on Earth. Dinosaurs may be the stars of the show, but the book is truly comprehensive, with fossil plants, invertebrates, amphibians, fish, birds, reptiles, mammals, and even early bacteria conjuring up an entire past world. To put all of these extinct species in context, the book explores geological time and the way life forms are classified. It also looks at how fossils preserve the story of evolution and how that story can be deciphered. The "Young Earth" chapter explains how forces shaped Earth and steered the course of life. The main part of the book, "Life on Earth," lays out and catalogs the rich story of life, from its beginnings 4 billion years ago, through each geological period, such as the Jurassic and Cretaceous, to the present. The stunning visuals and authoritative text make Dinosaurs and Prehistoric Life a fascinating and revealing encyclopedia that will appeal to the whole family.

example Dk Findout Stone Age__The Secret Behind The Forbidden Door

Alice was perpetually intrigued by the ancient mansion perched at the end of the street. Stories of its reclusive owner, who never ventured out of his isolated abode, had always piqued her curiosity. Whispers circulated about his identity, ranging from a loner to a intellectual or even a madman, depending on the source. Alice yearned to unravel the truth behind these tales and uncover the secrets concealed within the barred door on the second floor. Driven by an irresistible urge to delve into the mansions mysteries, Alice embarked on a daring escapade. With a heart pounding with a mix of anticipation, she discreetly ventured into the mansions grounds, her senses heightened as she approached the restricted door on the second floor. Standing before the threshold, her hand trembling slightly as she reached for the doorknob, Alice braced herself for the revelations that awaited her beyond. With a deep breath, she turned the knob, the door creaking open to unveil a sight that would forever alter her perception of the world.

Presenting a thesis title entails a method where you present and explain your planned research to a committee of evaluators. This is a typical practice in many schools where groups are organized to evaluate and criticize research titles before they are approved to proceed with the actual research. The defense usually includes a question-and-answer session intended at showing the importance of the research you have chosen and determining if you, as a researcher, are actually capable of accomplishing it.
